

*Members of the N-SSA,
The Tidewater Region is once again hosting a benefit
skirmish to support the fight for Cancer Research. Over
the past years we have raised in excess of 80K and
everyone for these dollars was donated to Cancer Research
organizations.*

*We are asking each unit to dig deep and support this effort.
We realize that inflation is a constant factor in your
discretionary spending. Each of us has been touched by
someone who has “fought the fight”, some have won, some
have lost but all have been there.*

*We will be picking teams randomly thru a poker chip draw
at the beginning of each match. There will be some fun
targets and a move the stake mortar event! Come out, meet
some new friends and have a good time.*

*We need your support if we are to continue to host this
event!*

See you on the Skirmish Line!!

Respectfully,

*Mike Davenport- Tidewater Region and the Cancer
Committee*
