

52nd Annual Veteran's Skirmish - "Family Traditions"

July 14-16, 2023

Have you ever been to a **Veteran's Skirmish**? Have you been a member for 10 years? Then why not? Is your son or daughter a member with 5 years in (and you're a 10 year veteran).....well guess what? They can come too! Are you a US Military veteran with 5 years in the N-SSA? Well - you qualify too! Don't want to shoot? Well - we **ALWAYS** need volunteers! The **entire skirmish** is run by volunteers!

As the years go by, the crowd seems to be shrinking. But so many of the folks we've talked to have **NEVER BEEN** to the Veterans Skirmish! This year, Katie Scanlan and Allissa Weber are the Skirmish Directors, and we want to bring it back to our "roots" (so to speak). We want to get back to shooting on teams that are composed of complete strangers (besides our partners, that is) Therefore, we need more people to come down! Sign up with a partner (or solo) and we'll pick teams out of a hat. Luck of the draw!

Tim Scanlan roasts a hog each year, and there is an amazing potluck Friday evening. We traditionally call this the "Welcome Dinner." Bring a dish to pass and a chair! (Hosted at 14th Virginia's campsite, on Artillery Road). To encourage some "chewing the fat" - we're going to organize some activities this year, to encourage more socialization after Friday's potluck dinner. We're going to have Euchre and Poker games set up; cornhole tournaments; maybe even some ladder golf, giant Jenga games, and horseshoes. Don't just go back to your camp and sit by yourselves! Come hangout with everyone. Bring your chair - and have a good time!

Saturday, the Veteran's meeting is held in the basement of the Museum (Veterans Building) - where we draw names for teams; after your team is drawn, you take a visit to Jeremiah Walsh's fantastic Prize Table for your pick! This is all followed by the creek party, the Ruritan's Dinner, and finally the 3rd Maryland's Punch Party rounds out the evening..
