

**N-SSA – Deep South Region
Winter Blast at Brierfield
February 20, 21 & 22, 2009
Hosted by: 37th GA Volunteer Infantry
Franklin Rangers
“Mean Dang Cluckers”**

It's time to put on your long handles, hitch up your trailers, rev up your space heaters, pack up your rain gear, clean the rust off your bones and sight in your weapons for the first Deep South Skirmish of the 2009 N-SSA season. Make like a baby and head out to Brierfield Ironworks! What are you reading this for? Go get packing! With our new government taking aim at the 2nd Amendment there's plenty of reasons to keep your shooting skills honed and this will be your first opportunity!

The 37th GA cordially invites all Deep South teams and as always welcomes any others willing to make the trip to join us for this momentous occasion. Shooting will start on Friday afternoon with individuals and end on Sunday with the musket competition. See the following schedule for details. We would be most appreciative and more likely to prepare target boxes for your teams if you would kindly let us know who is or ain't coming! If you let us know you're coming, we'll be sure to make up your target boxes with easily breakable targets. Show up unannounced and we'll give you a target box full of titanium target look-alikes that will have you cussing up a storm!

We look forward to seeing everyone and as always plan to run a safe and fun shoot so we can get off to a great start for the 2009 season!
