

# 38<sup>th</sup> Veterans Skirmish

July 17-19, 2009

Fort Shenandoah, Virginia

How many of us have grown tired of waiting for some old sod like Dick Dodd or Al Myers to clock out so we can sit around the campfire and tell lies about him? **We aren't waiting any longer! We're gonna do it at the Veterans Skirmish!** Dickie has long complained that he never gets the respect he deserves, so here's an opportunity to give them both what they deserve. Get to the cocktail party early, before Al's hearing aid melts.

The welcoming picnic will be Friday at the 14<sup>th</sup> Virginia Infantry campsite. Your registration covers yourself and one guest. Additional guests will cost \$4.00 each. Bring a covered (filled) dish to share.

The cocktail party will be Saturday at the 3<sup>rd</sup> Maryland Artillery campsite. Artillery punch will be served. Roger

Bethke has a murder mystery planned for our entertainment pleasure, and clues will be revealed throughout the evening. Eulogies for the not-so-late Dodd and Myers will be given (both prepared and freestyle); the undead will be given time for rebuttals.

This is NOT a buddy shoot. Individuals are classified, with medals for unclassified competitors.
